

Address: 90 Front Street

Legal Description: Part Lot 3, Plan 32

Designation By-law: 189-88

By-Law Designation Date: September 26, 1988

Date of Construction: 1897

Architectural Style: Vernacular

Architectural Description: one and one half storey yellow brick with a hip and gable roof; first floor; the section on the left has the gable facing the street; there are three windows in this part; the centre one is much larger than the narrow one on either side of it; there are many small panes in the upper sash of the window with a lozenge shaped pane in the centre of the large window and also many small panes in the upper sash of the smaller windows with a diamond shaped pane in the centre of the upper sash; a porch is on the right side with a plain balustrade and turned porch posts that support a slanted roof; the entrance door is on the left hand wall under the porch; a large two over two paned window is on the right side under the porch; second floor; the gable has scalloped shingles on the wall and two sixteen over one paned windows set close together with a bracket in the centre and one on each side at the top of the window; the peak in the gable has a square lattice work pattern; the left side of the house has a small semicircular window towards the right side and a two part rectangular window with a one over one pane and a two pane transom in the upper section of the window; there is a peak in the roof above an entrance porch that has a plain railing and plain square porch posts. Under the porch is a centre entrance door with a one over one paned window on either side and a rectangular one over one paned window in the peak. The right hand wall of the house has two windows and a peak with one window.
