

City of Stratford Web-based Employment Standard Training Course

Welcome to the City of Stratford web-based training on the AODA Employment Standard. This course deals with accessibility in the employment cycle. It addresses the processes and procedures organizations follow in recruiting and accommodating their employees.

Please view the course material on the AccessForward web site by following the link below. Once you have viewed all of the material by following the arrows on the screen until you get to the Summary page, please return to this page **by clicking the Back arrow on your web browser**. Then please print out this page, sign it at the bottom, and give it to your department's Administrative Assistant.

Step 1: Employment Standard Training Course

[AODA Employment Standard Training on AccessForward web site](#)

Step 2: Print and sign this page.

Once you have viewed all the material, please print this page, sign in the space below, and give it to your department's Administrative Assistant. Thanks!

Course Completion:

I have viewed the training materials for the AODA Employment Standard training course.
