

Town Crier, April 21, 2018

# Stratford Town Crier

## Public Information, Notices and Meeting Schedules

### **CITY OF STRATFORD AMENDS ACCESSIBLE PARKING PERMIT POLICY**

The City of Stratford has amended its Accessible Parking Permit Policy to allow those holding a valid accessible parking permit to park for free downtown.

Individuals with a valid accessible parking permit displayed on their dashboard will no longer be required to pay the parking meters or pay-by-licence machines.

Please note that all parking time limits remain in effect, and parking continues to be prohibited in "No Parking" areas.

On-street meters will be left at each accessible parking space should motorists using these spaces wish to pay, although payment is not required.

For more information on the Accessible Parking Permit Policy please visit the City of Stratford's website at [www.stratfordcanada.ca/en/livehere/accessibleparking.asp](http://www.stratfordcanada.ca/en/livehere/accessibleparking.asp)

For further information please contact: Tatiana Dafoe, Deputy Clerk, 519-271-0250 Ext 329, [tdafoe@stratford.ca](mailto:tdafoe@stratford.ca)

### **FLUSHING OF FIRE HYDRANTS**

Beginning April 8, 2018, and continuing for approximately six weeks, flushing of fire hydrants will take place within the City of Stratford. Customers could experience some discoloured water. Water quality is not affected by this colouration. Discoloured water will clear, but before doing laundry, please check to see that water has cleared. If you have any questions, please call the City Water Division at 519-271-0250, ext. 222 during business hours.

### **NOTICE - RAKING OF WINTER SAND**

Reminder to residents from Infrastructure & Development Services that during the months of April and May, winter sand that has accumulated can be raked to the edge of the road or the street gutter. Please help street sweeping operations by spreading the sand out in the gutter area. Please do not place the sand in large piles in the gutter or along the road, as the piles can restrict water flow and be a traffic hazard.
