## FLUSHING OF FIRE HYDRANTS

Beginning April 8, 2018 and continuing for approximately six weeks, flushing of fire hydrants will take place within the City of Stratford. Customers could experience some discoloured water. Water quality is not affected by this colouration. Discoloured water will clear, but before doing laundry, please check to see that water has cleared. If you have any questions, please call the City Water Division at 519-271-0250, ext. 222 during business hours.

## NOTICE - RAKING OF WINTER SAND

Reminder to residents from Infrastructure & Development Services that during the months of April and May, winter sand that has accumulated can be raked to the edge of the road or the street gutter. Please help street sweeping operations by spreading the sand out in the gutter area. Please do not place the sand in large piles in the gutter or along the road, as the piles can restrict water flow and be a traffic hazard.
