## DIVISION B PART 9 COMMITMENT FORM

**RE: FIELD REVIEW OF THE BUILDING BY AN ARCHITECT OR PROFESSIONAL ENGINEER AND/OR QUALIFIED DESIGNER DURING THE COURSE OF CONSTRUCTION**

**PERMIT NUMBER:** \_\_\_\_\_

**PROJECT NAME:** \_\_\_\_\_ **LOCATION:** \_\_\_\_\_

The owner hereby warrants that:

1. As per Section 18(1) of the Building Code Act, reports regarding the following aspects of construction shall be submitted to the Chief Building Official.
2. If the Architect or Professional Engineer and/or qualified designer named herein ceases to provide the field review, another Architect or Professional Engineer and/or qualified designer will be retained immediately so that the field review will continue uninterrupted and the Chief Building Official will be notified accordingly.
3. The newly constructed building or building addition (whichever is applicable) will not be occupied before a final inspection has been conducted and approval for occupancy has been granted by the Building Department.

Not limiting the generality of the foregoing, the FIELD REVIEW of the following aspects of construction will be undertaken by:
